

## PRESERVING DIGNITY PROGRAM

The **SOLUTIONS FOR DIGNITY, *Preserving Dignity Program*** includes the following services to address the gap that exists between capabilities within Senior Community and Group Homes and a client's needs. They are easily customizable based on the needs of your loved one:

### **RN Advocates**

- Attend Care Conferences and make hospital visits when hospitalized
- Coordinate and attend medical appointments within or outside the Community as needed.
- Discharge Planning coordination after hospital visits.
- Coordinate and recommend best quality rehabilitation facility to meet personalized needs when a higher level of care may be needed as well as assisting with the transition.
- Work with the Care Community to address Complex Care Needs
- Act as Medical Power of Attorney when requested.

### **Personal Needs Coordination**

- Visit from a Social Worker to help with adjustments, and participation in activities or socialization.
- Support in psychosocial areas (Social, Cognitive and Mental Health)
- Support the RN Advocate from time to time with Care Related concerns

### **Daily Money Management**

- Budgeting and Routine Bill Payment
- Income Tax Completion Support
- Medical billing issue management and insurance coverage review
- Fiduciary services - including Durable Power of Attorney or Guardianship
- Financial fraud issues

### **Concierge Service Providers**

- Drop off and pick up errands (dry cleaning, library, shipping etc.)
- Grocery shopping or pick up or for delivery

## PRESERVING DIGNITY PROGRAM

- Use of technology, training & support
- Shopping for personal items and clothing
- Walk and "taxi" pets to veterinarian or grooming appointments
- Seasonal services - decorating for holidays

### Life Enhancement Specialists

- Dining out and entertainment companionship for those who can leave the care community
- Encourage participation in leisure activities in and outside of the care community or group home
- Shape pursuing hobbies and interests not offered within the current living situation
- Support with therapeutic or social outings designed to meet specific care plan goals
