

## PRESERVING DIGNITY

The **SOLUTIONS FOR DIGNITY® Preserving Dignity** includes the following services to address the gap that exists between capabilities within Senior Community and Group Homes and a client's needs. They are easily customizable based on the needs of your loved one.

### Medical Advocacy by RN

- Attend Care Conferences and make hospital visits when hospitalized
- Coordinate and attend medical appointments within or outside the community as needed
- Discharge planning coordination after hospital visits
- Coordinate and recommend best quality rehabilitation facility to meet personalized needs when a higher level of care may be needed as well as assisting with the transition
- Work with the Care Community to address complex care needs
- Act as Medical Power of Attorney when requested

### Personal Needs Coordination

- Visit from a Social Worker to help with adjustments and participation in activities or socialization
- Support in psychosocial areas (social, cognitive and mental health)
- Support the RN Advocate from time to time with care-related concerns

### Daily Money Management

- Budgeting and routine bill payment
- Income tax preparation support
- Medical billing issue management and insurance coverage review
- Fiduciary services including Durable Power of Attorney and Guardianship
- Financial fraud issues

### Concierge Services

- Drop off and pick up errands (dry cleaning, library, shipping etc.)
- Grocery shopping

## PRESERVING DIGNITY

- Use of technology, training & support
- Shopping for personal items and clothing
- Walk and “taxi” pets to veterinarian or grooming appointments
- Assess and improve living space and safety
- Seasonal services - i.e. decorating for holidays

### Life Enhancement Support

- Dining out and entertainment companionship for those who can leave the care community
- Encourage participation in leisure activities inside and outside of the Care Community
- Promote pursuing hobbies and interests not offered within the current living situation
- Support therapeutic or social outings designed to meet specific care plan goals
